Dated Tezu, 24th May 2024.

Notice

Dear students, we are pleased to inform you about the opportunity to enhance your skills and academic credentials through National Programme on Technology Enhanced Learning (NPTEL). NPTEL offers a wide range of online courses designed by experts from premier institutions like IITs and IISc, covering various disciplines and topics. These courses are accessible, flexible, and free of cost, making them an excellent resource for self-improvement and academic growth.

NPTEL courses cover a vast array of subjects, including science, humanities, management, environmental studies etc. Enrolling in these courses will help you to gain in-depth knowledge and practical skills that are highly valued in job-market. Further upon successful completion of the course you can earn a certificate from NPTEL. Certain courses can now be used for credit transfer towards your degree. This means you can take certain NPTEL courses and have them count for value-added courses/papers of 1st, 2nd, 3rd and 4th semester of Rajiv Gandhi University under NEP 2020.

How to enroll:

1. Visit the NPTEL website: <https://nptel.ac.in/>
2. Browse through the list of available courses and select the one that interest you.
3. Sign up for the courses using your email ID and follow the instructions for enrollment.

Important Information:

1. **Eligibility:** All students are eligible to enroll in NPTEL courses.
2. **Duration:** Courses vary in length, typically ranging from 4 to 12 weeks.
3. **Assessment:** Most courses include assignments and proctored exams, which are necessary for certification.
4. **Credit Transfer process:** To avail credit transfer, ensure you have completed the course and passed the exam.

We encourage every student to take advantage of this excellent opportunity to learn from some of the best educators in the country and to add significant value to your academic profile.

For any queries or assistance regarding enrollment and credit transfer, please contact the Coordinator of the NPTEL Local Chapter of I.G.G. College Tezu, **Shri Soni Ngadong**, Assistant Professor in Physics.
