Dear Students,

It is our collective responsibility to maintain a clean and hygienic environment in and around the college. Therefore, all students are kindly requested to:

1. **Keep the surroundings neat and clean**, including the classrooms, corridors and campus grounds. Ensure that litter is disposed of in the designated dustbins.
2. **Maintain cleanliness in the toilets** by using them responsibly. Do not leave water taps running, and avoid throwing waste in sinks or toilets.
3. **Switch off the fans, lights and other electrical points** when they are not in use, especially after leaving classrooms or any other spaces.

Let us all work together to create a cleaner and more energy-efficient campus.

Your cooperation is greatly appreciated.
