No. IGGC/CIR/2022-23/

Dated Tezu the 21st Oct' 2025

C I R C U L A R

This is for information to all the students of I.G.G. College, Tezu that the college authority has decided not to allow any Department/community fresher meet/farewell meeting in the college auditorium as the renovation works are going on and is to be completed within this month for ensuing College Day Celebration-2025.

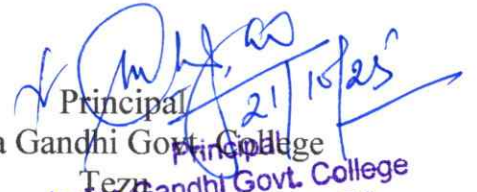

Further, it is also mentioned in our prospects that any such kind of activities will not be entertained from the current session i.e. 2025-26 except the college related activities. It will not be possible for the contractor to complete the renovation works, if such kind of functions/activities are organized frequently in our college auditorium which may hamper the ensuing college day celebration which is likely to be held during the first week of November' 2025.

Hence, all the community/district student union is directed to refrain for organizing such activities in the college auditorium.
