**Subject:** Proposal for Conducting Apprenticeship Awareness Campaign on 12/03/2026.

Sir / Madam,

To promote apprenticeship training across the Northeastern states, an "Apprenticeship Awareness Campaign" is proposed to be organized by the Indian Institute of Entrepreneurship, Guwahati, Assam, in collaboration with the Regional Directorate of Skill Development and Entrepreneurship. Both organizations are currently working under a special pilot initiative of the Ministry of Skill Development and Entrepreneurship (MSDE) aimed at strengthening the apprenticeship ecosystem in the North Eastern Region.

As part of this initiative, a series of Apprenticeship Awareness Programs along with on-the-spot registration of candidates will be conducted across various ITIs and other colleges in the North East to encourage greater participation of youth in apprenticeship training.

The key objectives of the proposed "Apprenticeship Awareness Campaign" are as follows:

1. To create awareness among the Students regarding Apprenticeship Training and its associated benefits.
2. To disseminate information on the recent amendments in the Apprenticeship Rules, 1992, as notified in the Gazette Notification (No. G.S.R.610(E), dated 3<sup>rd</sup> September 2025)
3. To promote awareness about the Special Intervention for Promotion of Apprenticeship in NER under PM-NAPS, which provides an additional financial support of ₹1,500/-, over and above the partial stipend support of ₹1,500/- already provided under PM-NAPS.

In order to carry forward the above objectives, the Indian Institute of Entrepreneurship, Guwahati, Assam, in association with the Regional Directorate of Skill Development and Entrepreneurship, has assigned NE Brothers Ent. Pvt Ltd, Manipur to organize a "One (01) Day Apprenticeship Awareness Campaign" at Indira Gandhi Govt College, on 12/03/2026.

In view of the above, you are kindly requested to give us a Hall for the presentation along with students available on the proposed date.

Thanking you.
